

CenterEdgePlay™

Elevate Touch

High on Performance, Low on Cost

Drive more revenue per play with the Elevate Touch. Flexible pricing, modern design, and seamless integration with CenterEdge Advantage make it the ideal reader for arcades, FECs, and attractions of every size.

Smart, Intuitive Experience

The bright 5-inch touchscreen makes selections easy to see while offering fast, responsive interactions

Eye-Catching Attract Mode

Programmable LED lighting helps guests quickly identify experiences available within their package or promotion

Tap and Play

Start play with a simple card or wristband tap for gameplay, time play, and attraction access

Custom Screen Graphics

Customize on-screen graphics to reinforce your brand, promote special offers, and create a cohesive guest experience across your game room

Keep Winners Winning

Deliver e-tickets instantly to reward every win and keep guests engaged and excited

Reader-Level Promotions

Run Double Ticket promotions and control bonus credit acceptance on individual readers for greater control

Flexible Game Support

Configure readers for standard games, time play, attractions, and multi-player experiences

Simplified Management

Manage game room access from anywhere with remote open and close controls

Reliable From Day One

Designed to perform right out of the box and keep working reliably, so you can spend less time troubleshooting and more time running your business

Four-Year Warranty

Backed by CenterEdge with a four-year warranty for dependable, long-term operation

Compact Footprint

The space-saving design fits easily on more games without sacrificing screen size or functionality

Unit Dimensions:

3.94" (L) x 3.11" (W) x 1.34" (H) with options for vertical and landscape placement
